* The VbG-PDSS Support Package & Barcode Number Generation Service are Optional

Disclaimer:

1. Additional Membership License provides **1,000 unique barcode numbers**.
2. The only recurring fees are the **renewal fee** and **VbG-PDSS**.
3. GS1 Financial Year starts from **1 July current year to 30 June next year**.
4. The **pro-rated fee** is the partial renewal fee based on the join month.
5. The additional license renewal fee **is added to** your existing license renewal fee.
6. Additional Membership Licenses are **independent** of the main GS1 membership license and can be **transferred** or **terminated individually** (As long as transfer and termination criteria are met)
7. The Barcode Number Generation Service is an optional service for GS1 subscribers that help you generate numbers **from your subscribed license(s) only**:
 - a. **This service does NOT provide a license, you must have a valid GS1 license to use this service!**
 - b. This service generates **all 1,000 barcodes from your licensed block only for RM 500.00**.
 - i. Alternatively, you can request GS1 Malaysia to generate the **first 250 barcode numbers for RM375.00**.
 - c. This Service also includes **5 complimentary Barcode Verification Service vouchers (valid for 1 year from successful application)**.
 - i. This verification service provides **barcode symbol error checking** and comes with an **official report that is globally recognized**.
8. The VbG-PDSS is our support & services package required for access into GS1 data repositories. It is **subscription-based at RM480.00/year and maintained separately** from the main Membership License.
9. Members that want to terminate their additional membership less than 12 months after successful registration are subjected to pay for 1 full year's subscription fee.
